

December is upon us,

The air is crisp and clear.

The birth

of Baby Jesus

is very,very near!

This month...

We learn about Advent and Jesus' birth.

Subtraction is our focus in Math. We are having daily addition practice tests. The children should be using IXL.com or Xtramath.com a couple times a week to reinforce class skills!

In Language Arts...We continue with weekly spelling words, online Reading, Grammar mechanics and sentence writing! Blends are being taught in Phonics along with Short u!

In Science and Social Studies we are discussing different cultural celebrations at this time of year. Habitats and winter hibernation and migration are taught.

In December...we have...

Our Christmas Tree lighting

Shopping for Kids

Our Christmas Concert

Barnes and Noble Dress Down

Red. White and Green Dress Down

Our Christmas Prayer Service

1M wishes all their friends, old and new, a very Blessed Christmas and a Wonderful New Year!
